Taxation—Kansas Retailers' Sales Tax—1992 H.B. No. 2892; Tax on Certain Construction Services; Computation. Representative Clyde Graeber, 41st District, Leavenworth, June 18, 1992.

To the extent connected with the service of installing or applying tangible personal property in original construction, profit and overhead passed on as a cost to the consumer for such service are properly taxable. Cited herein: K.S.A. 79-3602, as amended by 1992 H.B. No. 2892; K.S.A. 79-3603, as amended by 1992 H.B. No. 2892. JLM

Opinion No. 92-80

Criminal Procedure—Search and Seizure—Authorized Installation or Use of a Private Trap and Trace Device; Telephonic Devices. Senator August Bogina, Jr., 10th District, Shawnee, June 22, 1992.

A "caller ID" service provided by a telephone company to a customer who subscribes to the service is essentially a trap and trace device which enables the person receiving the phone call to view the telephone number of the incoming call prior to answering the phone. Such devices are generally prohibited without a court order under K.S.A. 22-2525. However, as caller ID service is provided only at the customer's request, it would fall under the exception to the prohibition in K.S.A. 22-2525(c) as the user of the service has clearly consented and indeed subscribed to such service. Therefore, a caller ID service would not violate Kansas law. Cited herein: K.S.A. 22-2525; 22-2529. KGS

Opinion No. 92-81

Elections—Independent and Other Nomination Certificates; Terms of Office; Filling Vacancies—Independent Nominations; Requirements; Party Affiliation; Party Candidacy; Petitions. Senator Eric R. Yost, 30th District, Wichita, June 24, 1992.

No person who has declared and retains a political party affiliation in accordance with K.S.A. 25-3301 is eligible to accept an independent nomination for office. A person who is affiliated with a political party may, 14 days prior to the primary election, change the person's party or voter affiliation. If the person timely changes to an unaffiliated status, the person may accept an independent nomination provided the independent nomination petitions are properly filed pursuant to K.S.A. 1991 Supp. 25-305, as amended by 1992 House Bill No. 3213. A person who files as a partisan candidate in the primary election and who maintains such candidacy may not file as an independent candidate in the general election immediately following. A person who has filed as a partisan candidate in a primary election may, after withdrawing such candidacy and timely changing to an unaffiliated status, file as an independent candidate in the general election.

The United States District Court for the district of Kansas has determined that K.S.A. 1991 Supp. 25-303, as amended by 1992 Senate Bill No. 789, requires only that signers of independent nomination petitions reside in the same county and election district of the office sought. This requirement does not restrict circulators to their home county and election district. The circulators may seek signatures anywhere in the state, but the signers must reside in the same county and election district as the circulators. While a qualified elector who is circulating an independent nomination petition is restricted to collecting signatures of those persons residing in that area intersected by the county and the election district in which the qualified elector resides, the candidate may collect signatures of persons residing anywhere within the election district. Kansas Arts Commission

Notice of Kansas Touring Program Roster Opportunity

The Kansas Arts Commission is accepting proposals from experienced, highly qualified companies, ensembles and groups and from individual performing artists willing to tour Kansas outside their home areas, as participants in the Kansas Touring Program (KTP) during 1993-1994.

The KTP roster, updated annually, currently features classical, folk and jazz musicians including orchestras and smaller ensembles, soloists and vocalists, dancers, and storytellers and theatre companies for children and

general audiences.

KTP roster participants must be residents of Kansas at the time their proposals are submitted and during the time they participate, or else must be tax-exempt, not-for-profit performing arts organizations incorporated in Kansas.

Artists' proposals to KTP for fiscal year 1994 must be submitted in the commission office by September 1. Applicants must include audio or video tapes for the advisory panel to use in preparing its recommendations for action by the commission.

Performing artists and companies receiving favorable recommendations are appointed to the roster for a three-year period. Thereafter, the performers are required to re-apply and be re-evaluated and reconsidered by the panel for a subsequent three-year appointment.

Artists on the roster may be subject to reconsideration at any time within the three-year appointment period, should the panel find cause to decide the artist or company no longer meets commission guidelines, for such reasons as unsatisfactory performance or sig-

nificant changes in personnel.

The commission encourages Kansas performing artists on the current KTP roster by awarding grants to presenters of their performances. Presenters may request up to 40 percent of the artists' performance fees. Any one presenter may request no more than a total of \$10,000. The 1993 roster, guidelines and application forms for presenters currently are available.

For KTP guidelines and application forms, contact the Kansas Arts Commission, 700 Jackson, Suite 1004, Topeka 66603-3758, (913) 296-3335, between 8 a.m. and

5 p.m. Monday through Friday.

Notice of 1993 Kansas Artist Fellowships Opportunity

Artists who demonstrate exceptional talent and ability in the visual arts may apply to the Kansas Arts Commission for the 1993 Kansas Artist Fellowships.

The commission will award up to a total of three Kansas Artist Fellowships, which recognize outstanding artists who live and work in Kansas. The fellowships, each for \$5,000, will be presented by the commission in February 1993.

The visual arts categories are two-dimensional,

three-dimensional, and crafts.

Individuals may apply only once during fiscal year 1993 and in only one category. The fellowships are available to current residents of Kansas who have lived here since July 1, 1991, and who intend to remain here through June 30, 1993. Fellowship recipients are required to sign a notarized residency statement and to submit a final report.

The program is not open to individuals who live outside of Kansas, including native Kansans who live outside the state. Students pursuing graduate or undergraduate degrees, previous Kansas Artist Fellowship recipients, and artists working in collaboration

also are not eligible to apply.

Completed application forms, with documentation and support materials, must be received in the commission office by 5 p.m. Thursday, October 15.

Applications in each category will be reviewed by a panel of six professionals and experts in the visual arts, including persons from outside the state. A member of the commission will chair each panel. Each panel will view photographic slides of the applicants' artwork completed during the past five years.

In preparing their recommendations to the commission, the panelists will consider the quality of each applicant's work and whether it reflects continued, serious and exceptional aesthetic investigation; the artist's record of professional activity and achievement; and information included in the artist's statement.

For guidelines and application forms, contact the Kansas Arts Commission, 700 Jackson, Suite 1004, Topeka 66603-3758, (913) 296-3335 (Kansas Relay Service: 1-800-766-3777), 8 a.m. to 5 p.m. Monday through

Friday.

Funding for the Kansas Artist Fellowships is provided through an appropriation by the 1992 Kansas Legislature of economic development initiative funds, revenue generated by the Kansas Lottery.

Notice of Professional Development Grant Program

Individual artists creating original work in any art discipline may apply to the Kansas Arts Commission for funding to assist them in achieving the next stage in their development in their careers.

Applications to the Professional Development Grant Program for fiscal year 1993 will be accepted until 5 p.m. Friday, August 14, by which time all completed applications and support materials must be received in

the commission office.

To be eligible, an artist must have been a Kansas resident since July 1, 1991, with the intention of residing in Kansas through June 30, 1993. Grant recipients are required to sign a notarized residency statement. Non-residents, undergraduate or graduate students, and interpretive artists not creating original work are not eligible.

Artists who have received professional development grants in previous years—either directly or as part of a collaboration with another professional development grant recipient—may not apply again. Previous recipients of Kansas Artists Fellowships are eligible, and artists may apply for both within the same year.

An artist may apply for a professional development grant from \$100 to no more than \$500 to cover up to 50 percent of the cost of a project or activity beginning no earlier than October 1, 1992, and completed no later than June 30, 1993. Grants may be matched in cash or a combination of cash and documented in-kind services. A completed final report form must be submitted within 30 days of a project's completion. Grantees must provide documentation of their projects.

Grants may be awarded for projects undertaken by artists working in collaboration, but only one individual involved may apply for and obtain the grant, and that person assumes all responsibility for the grant, including full federal income tax liability.

The grant applications will be evaluated by a panel of commissioners and arts professionals for projects. The commission will consider the panel recommendations and make the grant awards during the quarterly business meeting in September.

Funding for the program is provided through an appropriation by the 1992 Kansas Legislature of economic development initiative funds, revenue from the

Notice of Bond Sale City of Lansing, Kansas General Obligation Bonds Series 1992-B

Sealed Bids

Sealed bids for the purchase of \$560,000 principal amount of General Obligation Bonds, Series 1992-B, of the city hereinafter described, will be received by the undersigned, the city administrator of the city of Lansing, Kansas, on behalf of the governing body of the city at City Hall, 800 First Terrace, Lansing, KS 66043, until 11 a.m. C.D.T. on Thursday, July 16, 1992. All bids will be publicly opened and read at said time and place and will be acted upon by the governing body of the city at its regularly scheduled meeting of said day at 7:30 p.m. at city hall. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated August 1, 1992, and will become due serially on November 1 in the years as follows:

Year (November	Principal Amount
1993	\$35,000.00
1994	45,000.00
1995	50,000.00
1996	50,000.00
1997	55,000.00
1998	60,000.00
1999	60,000.00
2000	65,000.00
2001	70,000.00
2002	70,000.00

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on May 1 and November 1 in each year, beginning on May 1, 1993.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also

pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on November 1, 2000, and thereafter will be subject to redemption and payment prior to maturity on November 1, 1999, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States certified mail to the paying agent and bond registrar and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. Thereafter, the paying agent and bond registrar will notify the registered owners of the bonds of the city's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/10 of 1 percent. No interest rate shall exceed the index of treasury bonds published by The Bond Buyer in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No supplemental interest payments will be authorized. No bid of less than the aggregate principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the city. The bonds will be general obligations of the city and, to the extent other legally available and unencumbered funds of the city are not available therefor, are payable as to both principal and interest from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986, as amended, imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the exclusion of the interest earned on the bonds from gross income to the owners thereof. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their de-

ductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Perry & Hamill, Overland Park, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from gross income for federal income tax purposes. Under present law, interest on the bonds is also excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about August 6, 1992, at such bank or trust company in the state of Kansas or the greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the bidder's expense. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.D.T. on July 25, 1992. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. on July 25, 1992, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial

(continued)

amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$11,200 (2 percent of aggregate principal amount of bonds) payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted' but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city and the city reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All original expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds, Series-A." Bids may be submitted by mail or delivered in person to the undersigned at city hall and must be received by the undersigned prior to 11 a.m. C.D.T. July 16, 1992.

Date and Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in SEC Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the purchaser a reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds are awarded to a syndicate, the city will designate the senior managing purchaser of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The city will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, George K. Baum Company, 120 W. 12th, Kansas City, MO 64105, 1-800-821-7195, (816) 474-1100.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year is \$23,360,210. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$1,965,000 (which amount includes the city's General Obligation Refunding Bonds, Series 1992-A, outstanding in the aggregate principal amount of \$1,060,000). In accordance with the financial advisor's agreement with the city, the financial advisor will either be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.

Article 4.—INDIVIDUAL GAME RULES RULES FOR INSTANT GAME NO. 45 "SUNFLOWER DOUBLER"

111-4-429. Name of Game. The Kansas Lottery shall conduct an instant winner lottery game entitled "Sunflower Doubler" commencing on June 19, 1992. Each ticket is a segment of a montage which is completed over six tickets. The specific rules for the "Sunflower Doubler" game are contained in K.A.R. 111-3-1 et seq. and 111-4-429 through 111-4-432. (Authorized by and implementing K.S.A. 1991 Supp. 74-8710; effective, T-111-6-16-92, June 10, 1992.)

111-4-430. Definitions. The following definitions shall apply to the "Sunflower Doubler" instant lottery game:

(a) "Game symbols" are the numbers, letters, symbols, or pictures printed in the play area of each instant game ticket and which determine if the ticket bearer is entitled to a prize. In this instant game, the game symbols are printed in black ink in 15 pt. Archer. A game symbol appears in each of six play spots within the play area. Each game symbol for this instant game is one of the following: FREE - \$1. - \$5.\infty - 25.\infty - 50.\infty - \$2500 - \$5000 - image of sunflower.

(b) "Game symbol captions" are the words or portions of words, letters or numbers printed beneath each game symbol in the play area and are used to repeat or explain the game symbol. The game symbol caption associated with each game symbol is as follows:

and the second s	
Game Symbol	Game Symbol Caption

(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is a 10-digit number which appears below the game symbols under the removable covering in the play area on the front of each instant ticket.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number

is printed in black ink on the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a two letter code printed and appearing in two of six varying locations among the game symbols. The codes and their meanings are as follows: AA = FREE; CC = \$1.00; DD = \$2.00; KK = \$5.00; BB = \$10.00; RR = \$25.00. (Authorized by and implementing K.S.A. 1991 Supp. 74-8710; effective, T-111-6-16-92, June 10, 1992.)

111-4-431. Determination of Instant Prize Winners. An instant prize winner is determined for this instant game when the player removed or "scratches off" the removable layer of material covering the play area to reveal the six game symbols and captions. This is a match three (3) of six (6) game which includes a doubler. If three (3) of the six (6) concealed prize amounts match, the player wins the amount shown. If two (2) of the six (6) concealed prize amounts match and a doubler symbol is found the player wins double the prize amount. NO ticket will be eligible to win more than one prize. (continued)

- (c) "Property with insufficient research, educational, or exhibit value" is property:
- (1) which lacks sufficient background information to be of use; or
- (2) (A) which through accident, vandalism, natural disaster or deterioration because of age, environment, or inherent vice has become embrittled, discolored, or misshapen beyond being useful for research, reference or other educational purposes; and

 (B) which cannot be repaired or conserved through reasonable expenditures of time, materials and money;

and

(C) is considered to be damaged or deteriorated

property;

- (d) "Hazardous property," is property composed of or containing materials which by nature or through the process of deterioration present an environmental or health hazard to state historical society patrons, visitors, staff, volunteers, physical plant or collection holdings. (Authorized by and implementing K.S.A. 1991 Supp. 75-2701; effective Aug. 24, 1992.)
- 118-1-4. Procedures for removal of property from the society collection holdings. The manner of disposition of property from society collections holdings shall be in the best interests of the state historical society and the public it serves and represents in owning the property. Property to be considered for removal from collection holdings shall undergo the following procedures:
- (a) The society staff member responsible for the property shall assemble documentation relating to the property being considered for removal. This documentation may include deeds of gift or accession records, contracts, photographs, signed authorizations, correspondence, or advertisements. The staff member responsible for the property shall establish clear title to the property subject to the provisions of K.S.A. 58-4001 through 58-4013. For manuscript materials and images of art works this may apply to the tangible property rights only. The society shall not remove from collection holdings property for which the donor has taken a charitable donation tax deduction except in accordance with federal tax law and regulations, unless the property presents a clear and present hazard to society staff, patrons, visitors, volunteers, collection holdings, or physical plant. In the course of normal processing of collections, duplicates and extraneous materials may be removed and are exempt from deaccessioning procedures.
- (b) When property which has been donated by an individual is being considered for removal from the society's collection holdings within 20 years of the donation, reasonable effort shall be made to notify the donor or the donor's immediate family of this decision.
- (c) If original historical materials have been micrographically or electronically recorded, and the original materials are being considered for removal from the collection holdings, then the recorded copies must meet the following criteria:
- (1) The micrographic form shall have three copies: one security negative; one copy negative or positive; and one reference copy. Electronically recorded copies

shall be made according to established standards. The security negative may remain in the possession of an outside vendor who has performed the micrographic reproduction and retains the security negative.

(2) Before removal of the original historical materials from the collection holdings, a properly trained person shall inspect the micrographic copies to determine that they are satisfactory substitutes for the originals. This shall include refilming or appropriate treatment for redox and other forms of deterioration.

(3) The security copies shall be periodically inspected for deterioration, and that deterioration shall

be controlled.

(d) The internal committees for collection review shall review the property being considered for removal from the collection holdings of that division. A list of property agreed upon for removal shall be forwarded to the society's assistant executive director.

(e) The deaccession review committee shall review the property being recommended for removal from the

collection holdings.

- (1) The society's assistant executive director shall provide to the deaccession review committee members a list of property being considered for removal from the society's collection holdings. The society's assistant executive director shall also provide public notice of the availability of that list for public review. Accompanying this list to deaccession review committee members shall be appropriate documentation and rationale for removal of the property from the collection holdings. This list shall include a mail ballot to be returned to the society's assistant executive director within 30 days of receipt. For each item on the list there shall be two choices: deaccession review committee members may either authorize the item for deaccession or defer the item for discussion at a meeting of the deaccession review committee. A unanimous vote by mail ballot returned by the due date shall be required to authorize property for deaccession from the society's collection holdings.
- (2) A meeting of the deaccession review committee shall be called by the society's assistant executive director to discuss that property deferred on the mail ballot. Five members shall constitute a quorum. The deaccession review committee shall reach a two-thirds majority agreement of members present before property may be removed from the society's collection holdings. When a two-thirds majority agreement cannot be reached to remove property, the property shall be retained in the society's collection holdings.
- (f) Property determined by the deaccession review committee to be appropriate for removal from the society's collection holdings shall be disposed of by one of the following methods. Guidelines for these choices shall be specified in the state historical society's collection development policies. Preference shall be for the property to remain in public ownership or domain. Options are not prioritized and include the following:

(1) Hazardous property shall be disposed of according to existing state and federal laws or guidelines from appropriate state and federal regulatory agencies.

- (2) Kansas newspapers shall be offered to historical or genealogical societies or other appropriate institutions or individuals of the county or area in which the newspaper was originally published. If competing entities are requesting newspapers and the matter cannot be resolved locally, the deaccession review committee shall make the final decision.
- (3) When possible, property may be traded to a public or private institution or individual for property the society wishes to obtain. The guidelines for acquisition are specified in the state historical society collection development policies.

(4) Property may be offered for donation or sale to Kansas libraries, museums, archives, historical and genealogical societies, educational institutions, and other not-for-profit repositories for historical materials, public or private.

(5) When appropriate, property may be offered for donation or sale to out-of-state libraries, museums, archives, historical and genealogical societies, educational institutions, and other not-for-profit repositories for historical materials, public or private.

(6) Property may be sold to the general public.

(7) Property not disposed of by trade, donation, or sale may be destroyed by burning, shredding, recycling, depository in a landfill, or by other methods.

(8) Documentation relating to the property removed from the collection holdings shall be amended to include the date and method of disposition. The documentation shall be accessible upon request during the society's regular business hours. Some donor information may be restricted as provided for in K.S.A. 45-221, subsection (a)(8).
